# ARE YOU READY FOR, THE UP TO \$100,000 WEEKLY?

SIMPLE BUT VERY POWERFUL MONEY MAKING SYSTEMS - THE LULU PARALLEL SYSTEMS?

**CAUTION:** Be very careful because what we are about to reveal is very SIMPLY, too simple, you may fail to take it seriously but it's a dynamite money maker that could turn you into a multi-millionaire in a very short period of time if you take it seriously

## HERE'S EXACTLY HOW YOU'LL EARN THE UP TO \$100,000 WEEKLY. \$5.2 MILLION YEARLY

Let's start

“

### **UNDER THE “LULU WORK A JOB”**

Every lulu parallel merchant is given the RIGHT to sell up to 1,000 products or more in one year. No problems if you sell less

We can ship the product to (you) the merchant or we can hold the products inventory and send it gradually to the merchant's customers directly. Once the first 1,000 cards are all sold, we'll refill the inventory for the merchant with another 1,000 stock. You'll earn up to \$30,000 a year or more. That's  $\$30 \times 1,000 = \$30,000$

“

### **UNDER THE “LULU CREATE JOBS”**

Every lulu parallel merchant is given the RIGHT to refer or introduce up to 100 new lulu merchants to us. They don't have to buy any products from you before they can become a merchant like you but they will be selling lulu parallel products like you are doing. Just introduce/refer them to the business It is very easy to invite people to come a business opportunity which will earn them up to \$100,000 weekly WHILE THEY WORK PART TIME without investing any money to start it.

That's why we called it **LULU CREATE JOBS**

# How do I earn the up to \$100,000 weekly. \$5.2 million a year?

Simple, all you'll need to do is invite only 100 people into the business.

**For example,** Invite 10 every month and you'll have the 100 within 10 months but you could have them all within 30 - 90 days (1 - 3 months)

**LOOK, IT'S VERY EASY TO INVITE 100 PEOPLE TO START A BUSINESS WHICH COULD EARN THEM UP TO \$100,000 WEEKLY INCOME WITHOUT A START UP INVESTMENT.**

**YES, YOU CAN DO THIS. YOU CAN GET YOUR 100 PEOPLE TO WORK**

When you refer 100 and these 100 refer their own 100. You'll have  $100 \times 100 = 10,000$  merchants under you.

Whenever these 10,000 sold a product for \$59. We'll pay you \$10

Multiply  $10,000 \times \$10 = \$100,000$  a week.

**Note:** This is only if each of them sold **only 1 (ONE) product a week**

Imaging if each of them had sold 50 products a week. You'll have \$5 million a week. Not \$100K a week

Even if your 100 people could only bring in 10 people each to work as merchants, you still have a least 1,000 to be making \$10 for you each time they sold products.

You  Referred up to 100 new lulu merchants

Whenever any of these 100 referrals of yours & their 100 make sales, we'll pay you \$10 lulu parallel commission.

When you invite or refer up to 100, we'll put their 100 referrals under you and pay you \$10 each time this up to 10,000 merchants sold a product.

We'll pay them their \$30 direct commission and pay you \$10 lulu-parallel commission.

Note: We'll not cheat them for you. We'll not take the \$10 from their \$30 commission and pay them \$20

You'll earn \$10 - \$1,000 from up to 10,000 merchants weekly. That's \$100,000 weekly to up to \$10 million weekly.

You'll get paid \$1,000 x 10,000 if each of them made 100 sales a week = \$10 million a week. Sounds too much but it's only \$1k form each of your merchants.

Believe me, many of them would try to sell 100 a week so that they could earn their \$30 commission x 100 = \$3,000 (\$3K) a week. AND WE'LL GIVE YOU \$10 X 100 = \$1,000 (\$1K) FROM THAT PARTICULAR 100 SALES FROM THAT ONE MERCHANT

Remember that we said, UP TO 100  
"LULU CREATE JOBS" REFERRALS FROM YOU?

WE CALLED THIS LULU-PARALLEL OR NETWORK BECAUSE  
IT'S JUST YOUR UP TO 100 & THEIR UP TO 100. FULL STOP

That means, 100 "create jobs" referrals are the maximum to be referred or register for us by you. You are free to register a lower number. You'll still make a lot of money

# HOW DO I MAKE MORE MONEY WITH LULU CREATE JOBS THAN WITH LULU WORK A JOB.

If you sold 1,000 membership card products in a year with lulu work a job, **You'll earn only \$30,000 a year commission. That's \$30 commission from every \$59 product sold**

**On the other hands, with lulu create jobs,** If you refer only 100 new merchants to us and EACH of them refer 100 new workers/merchants.

That's 10,000 referrals. If each of them sold an average of only 1 product in one whole week. You'll get  $\$10 \times 10,000 = \$100,000$  weekly.

Imaging they each sold 10 cards/products a week, you'll earn =  $\$100 \times 10,000$  **That's = \$1 million weekly**

It's unbelievable. Simply referring people to have their own business

## In conclusion,

Therefore, keep selling and keep earning your steady \$30 commission

but at the same time Recruit new merchants for us under our lulu create jobs program. The latter could make you a multi-millionaire

**Change your life now financially**

# **HOW WOULD I EARN JUST A GOOD INCOME FROM THIS WITHOUT WORKING TOO HARD?**

**Set a 300 days or 10 months goal for yourself.**

**It's called the million dollars journey.**

Sell only 1 - 100 products monthly for \$59 within 10 months.  
That's only 10 - 1,000 products sold by you.

**You'll get paid  $\$30 \times 10 - 1,000 = \$300 - \$30,000$  (\$30K) direct commission within that 10 months**

**In addition to that, invite & sign-up only 10 new merchants every month.**

**Note:** It can be possible that you'll invite 200 before you'll get that 10 to sign up, therefore, don't invite just 10, invite as many as possible.

**Look:** It is not difficult to invite people to come and start a **business** of their own. A business which would give them a chance to be earning a huge weekly income, but which they'll not invest any money to start it.

Since more than 10 million people are out there looking for legitimate home-based income opportunities, you can easily bring in 10 new merchants or more monthly.

**Quick Note: Remember,** the maximum number of merchants you can sign-up for us is 100, If you succeeded in signing up all the 100 within 2 months or within your first campaign, you can stop. No need to keep it up for 10 months

**Now let go back to:**

**Setting a 300 days or 10 months goal for yourself plan.**

**It's called the million dollars journey.**

With only 10 new merchants every month, in 10 months, you'll have 100 new merchants (as your partners)

They are your partners because we'll pay you \$10 from every \$59 product sold by each of them.

## **Your Stage 1**

That means, you'll get paid \$10 from 100 merchants sales proceeds.

For example, if those 100 merchants sold an average of 10 products weekly, we'll pay you  $\$10 \times 100 \text{ merchants} \times 10 \text{ sales} = \$10,000$  weekly income for you.

What we meant by “**an average of 10**” is, a few merchants might have sold 50 or more products in a week while the rest few of the 100 merchants have sold only 5 a week.

## **Your Stage 2**

These 100 sales people/merchants of yours will bring their own 100 each, That'll be  $100 \times 100 = 10,000$  merchants.

We'll pay you another \$10 commission from 10,000 merchants.

If 10,000 merchants sold an average of 10 products a week.

**That's 100,000 sales a week.  $\times \$10 = \$1$  million a week to you**

# WITH JUST 10

Now let's say you just brought 10 new merchants and stopped.

Once they did the same, you'll have 100 new merchants as partners.

You'll be paid \$10 whenever these 100 people closed a sales deal.

If they closed 1 sales a week for \$59, you'll get paid  $\$10 \times 100 = \mathbf{\$1,000 (\$1K)}$  weekly for doing nothing

If these 100 closed an average of 5 sales a week for \$59, you'll get paid  $\$10 \times 100 \times 5 \text{ sales} = \mathbf{\$5,000 (\$5K)}$  weekly to you for doing nothing

If these 100 closed an average of 15 sales a week for \$59, you'll get paid  $\$10 \times 100 \times 15 \text{ sales} = \mathbf{\$15,000 (\$15K)}$  weekly to you for doing nothing.

## IF IT WERE BY MYSELF?

For you to sell and earn \$15,000 weekly by yourself, you'll need to sell 500 products a week (not 15 products). You'll get paid \$30 commission for each.  $\$30 \times 500 = \$15,000$ .

Can you sell 500 product ALONE in a week?

## **ANOTHER POSSIBILITY IS:**

The 10 new merchant you brought could become a better recruiters than you and they could each bring their own 100 (not 10).

**That'll automatically put 1,010 merchants under you**

Imagine having 1,010 merchants doing an average of 15 sales weekly.

That's  $\$10 \times 15 \text{ sales} \times 1,010 \text{ merchants}$

**= \$151,500 (\$151K a week) weekly income for you for doing nothing**

## **IF IT WERE BY MYSELF?**

For you to sell and earn \$151,500 weekly by yourself , you'll need to sell 5,050 products a week (not 15 products). You'll get paid \$30 commission for each.  $\$30 \times 5,050 = \$151,500$ .

**Can you sell 5,050 product ALONE in a week?**

The **MOST** you could sell **ALONE** is 20 - 100 in a week That's a maximum of \$3,000 a week and you'll work very hard, if not too hard, for it

## **DON'T MISS THE POINT:**

The point is, only 10 GOOD new merchants introduced to us by you could be putting up to \$151,500 weekly income into your pocket.

...and you're not doing the selling by yourself. We'll pay you once they sold a product.

Imagine introducing up to 100 new merchants?

## **WHAT HAVE YOU GOT TO LOSE?**

Here is a business you could start part time from your kitchen table **WITHOUT ANY UPFRONT INVESTMENT** and have a chance to earn over \$151,500 weekly.

Take 1 - 10 months to build your network of partners.

Sit back and be collecting income every week for life possibly. Up to \$151K weekly possibly

# **I'M WORRIED, I STILL DON'T KNOW HOW I CAN POSSIBLY RECRUIT OR REFER UP TO 100 MERCHANTS OR DISTRIBUTORS INTO MY TEAM. IS IT REALLY POSSIBLE?**

Worry not!

If you THINK that you cannot refer up to 100 people, 100 hungry WORK seekers who could start this work today ....while every statistic indicators are pointing to the fact **that there are over 10 million part time business opportunities work seekers out there**, then, I'll say that your thinking of impossibility is very wrong and it belittles or renders useless, your capability.

**It's like telling yourself that you cannot be a \$ millionaire or \$ billionaire or no one can.**

**BE DIFFERENT. Only people who were different became RICH.**

We want you to **refer** up to 100 new merchants. We are not like some MLM companies that would want you to refer only 2 - 5 but they kept the decks too long & too boring.

We will do our part to make it easier for you to refer new merchants.

**In less than 5 minutes, we'll create a unique web-page for you personally.**

If you send your web-page LINK to 1,000 people who are looking to make extra income, you'll get your up 100 before you even know it.

**Also, you can use your personalized web page to sell our products and earn a lot of money.**

**Just direct them to your luluparallel merchant's personal webpage where they'll either sign-up to become merchants themselves or buy your products.**

**Yes, it's possible to have 100 recruits or referrals within a matter of weeks AND YOU CAN DO IT.**

**YOU'LL NOW HAVE THE LICENCE TO EARN A LOT OF MONEY WEEKLY.**

Our product retail prices ranges from \$9 - \$15,000 per item.  
**Our digital online magazine full-page ad rate is: \$10,000**

Imagine, we have a product which retails for \$1,500 each for you to sell, your direct commission income will be \$750 or 50% of \$1,500 and your downline override income will be \$255 or 17% from up to 10,000 downline merchants

Multiply  $\$255 \times 10,000 = \$2,550,000$ . **That's \$2.5 million weekly for you if a your up to 10,000 downline merchants closed a \$1,500 sales per week. That's up to \$132.6 million a yr for you**

# Okay, Is this legal?

Yes, It's 100% legal.

\*\*It's very legal to work for us at your home but independently, self-employed as your own BOSS. You manage your time-table and etc. No need to report 9am - 5 pm at our office daily.

**You'll be gainfully self-employed legally.**

(2) \*\*It's very legal to bring up to 100 people, new merchants to us to be gainfully employed as you are.

This reminds me of when I was a little over 20 years old and working in a factory settings. Whenever, there was any job openings or job vacancies, the factory supervisor always told us the employees to bring our friends to fill the positions. It was only if we couldn't have any friends to bring, that factory would put the ad in a public newspaper instead of on the Factory's billboard.

**That said, It is not illegal to bring your friends to come and be gainfully self-employed. They'll pay no money to start.**

(3) \*\*As a sales merchant, it's very legal to pay you that 50% commission for sales you closed by yourself.

(4) \*\*As a sales merchant, it is legal for us (the company) to give you the **17% thank you pay** for the new merchants that you referred to us

Think about it, if you were greedy, you'll not bring those up to 100 new merchants to us because they'll spoil the market for you. They'll be selling at the same territory (ies) with you. No doubt, you'll lose some customers to them. **Don't worry, we'll give you a 17% thank you compensation whenever they sold a product for us**

(5) **\*\*If you know MLM laws, you'll know that it is legal for us (the company) to give you the 17% thank you pay from the sales proceeds of the new merchants that you referred because, the money we'll pay you are from sold products income, they're therefore, not from any illegal head-counts income as it is in MLM.**

(6) **\*\*Furthermore, our 17% compensation system does not penalize the new merchants. In other words, we would pay 50% commission to all new merchants (you referred) whenever the closed sales. We'll not pay them 33% and send you 17%. They will not get less money for doing same work. That'll be illegal**

No, we'll pay them their own 50% for their direct sales closed. The 17% that we'll send to you per sales would come from us, the company.

**Our commission & compensation plan have passed all the law requirements.**

**Work with confidence. We abide by the law and YES, we are 100% legal**

**I DON'T MIND IF IT COMES BUT I DON'T WANT TO DEPEND ON INCOME THAT I COULD EARN FROM OTHER MERCHANTS THAT I REFERRED, COULD I STILL EARN GOOD MONEY FROM THIS TO PAY MY BILLS WEEKLY OR MONTHLY?**

Yes, you can! Imagine one of the products you are selling retails for \$600 and your direct commission is 50% That's \$300.

If you closed only 10 sales a week, you'll have \$3,000 a week. If you sell only 3 a week, 12 a month. You'll have \$3,600 monthly or \$12,000 monthly.

We believe that, that \$3,000 - \$12,000 monthly can really offset your bills before another (17% of \$600) \$102 from up to 10,000 merchants are sent to you as well.

**That's an EXTRA \$1,020,000 (up to \$1 million) a wk or a month potential income to you from other merchants. If you don't want it, fine, send it back to us.**
